Dear Stitcher :

This is a free design for your stitching pleasure ! It is not to be sold nor kitted.

If you want to see more of my designs, please visit my homepage www.châtelaine.net or my distributor's homepage www.europeancrossstitch.com

Work all cross stitches over two with two plies of the thread. Finish each cross stitch with variegated threads "as you go" for keeping the effect of the variegation !

Half cross stitches (surrounding the dragonfly) are stitched with 1 ply of the recommended threads only. The direction is indicated by the two tiny symbols in one square –draw a virtual line and you can see the direction ! Backstitch the wings with PB 02.

In the dragonfly's body work two Algerian Eyelets with PB 02. AE's look best when pulled taut to open up the center hole – same for Diamond Eyelets !

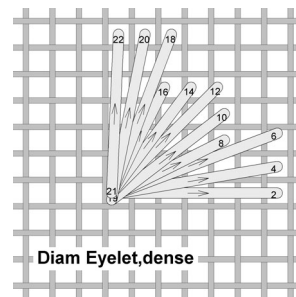

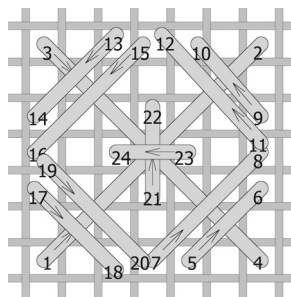

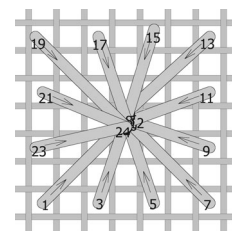

Stitch Diamond Eyelets in the "tiles" with one ply of WL 088.

Stitch the Rice Stitches in the outer border with two plies of SNC 070.

Sew on the beads with a thread which matches your fabric color.

Enjoy your little Springtime Roses as a boxtop or the center of a quilt block...
